

twisted barrier rope

the most popular rope we supply. this is 24.0 mm three-strand hand made rope.

This popular man made rope is available in either 19mm or 30mm diameter - you are looking at the 30mm version.

there are seven attractive colours of this rope: red, blue, chocolate, black, hemp, and green.

the twisted rope gives a soft feel and a perfect sag.

note:

rope sag. Although the rope is quoted at various lengths, we will allow for a slight sag in the rope. Therefore the rope length you receive will be longer than that ordered.
